

Update 8 December 2007

Great news from The Shanghai International TCM Seminars.

The Hilton Hotel has become available for our seminars.

The Hilton is in a great location in the French concession area of Shanghai. It was our first choice for the venue.

For those travelling alone, rooms (and room price) can be shared at the Hilton at no extra cost. Ask us for people wanting to share.

The Hilton has extended the offer of a conference special rate of 1390 Yuan + 15% tax per night for their guest room that includes 2 daily breakfasts. These can be booked now by downloading the Hilton booking form from our accommodation page.

There are also a range of moderately priced hotels within walking distance which can be booked from January 2007. Details will be emailed soon.

The Zhejiang Provincial Hospital in Hangzhou and the Yueyang Hospital in Shanghai are proving the most popular destinations for the post conference hospital training.

Please secure your place as soon as possible for these hospitals.

Many people are coming with colleagues and planning some serious shopping and sightseeing. Others are bringing family or friends to make this one great holiday.

So let us know if you are coming.

Regards

Wade James
Conference Director
